

DOUBLE YOUR IMPACT!

In an effort to expand our network and recruit more Bigs, we are kicking off the **Double Your Impact** Campaign. As a current Big, we greatly appreciate the support you give to your Little. How great would it be to have the same impact on another Little on our wait list? Well, now you can! Recruit another Big, and **Double Your Impact!** We successfully match and support 400 matches a year, however, we still have 137 kids waiting for a Big of their own and we need your help to close the gap!

Why You?

- *72% of new volunteers learn about BBBSW through word of mouth!*
- *Who better to talk about what we do, but you, the ones doing it! You are our best ambassadors!*

How?

This could be facilitated as a...
